### **Registration and Account Management**

**Registration for our Summer program** begins April <sup>th</sup>.

**For our SUMMER session ONLY, we offer pro-rated tuition IF you can give us your planned absent days when you register.**

SUMMER does not include a production instead; Families are invited to view the last 15min of class on the last class day to see what we've learned.

**HOW TO REGISTER:** We are using a new online account management/registration program called Jackrabbit. Simply follow this link, set up a parent portal, register your dancer and select your desired classes. <https://app3.jackrabbitclass.com/regv2.asp?id=552634>

**How do you know what classes to register for?**

### **Placement for Dancers**

On May 18th, 2024, we will have Placement Day for dancers ages 9-Teen. On this day, a panel of instructors review our dancers. Three days later, each participant receives an email containing a list of recommended classes for our new season. This list allows dancers to enroll for our new season as soon as registration opens. Dancers younger than nine will be placed in classes based on age or Teacher recommendations. Older dancers who have not attended placement day will be assessed individually by their instructors.

### **Attendance (Attend-Dance Yes! Please!) Zoom Links**

Dance is a "team sport." Each dancer is important to the overall success of their classes' advancement and class dance.

Consistent weekly attendance is necessary. It's also the best use of your tuition dollars. Class progress ceases when class time is used to help absent dancers catch up on what they have missed. For this reason, we ask that you make Dance a priority, missing classes only for illness. We do not have a "make-up" class option. A missed class is a lost class. We do offer ZOOM for dancers who for whatever reason cannot join us in person. If you need to join us via Zoom, please TEXT well before your class start time to let us know you will be Zooming. It takes about fifteen minutes to create a meeting, send the meeting ID to you, and get our equipment turned on and tuned in. If your dancer must stay home please send an email to let me know they will be missing and if possible, plan to join us on Zoom. [joyfulsolesdance@live.com](mailto:joyfulsolesdance@live.com). In the subject line please include CHILD'S NAME – ABSENT TODAY and in the body of the email describe the reason. Thank you.

### **Behavior Expectations:**

Dancers are expected to arrive ready to focus on dancing. Once Dancers step into their classroom their attention should be focused on their teacher. No talking with other dancers on the floor during instruction. Students who repeatedly interrupt their teacher or act silly to gain the attention of classmates will be asked to sit and watch. If your dancer was asked to sit out, we will call to let you know. Thank you for helping us create a productive learning environment for all dancers.

Dancers are welcome to stay at the studio and wait between classes. If you bring a snack or meal, please clean up after yourself including crumbs on the floor. Please bring something quiet to do. Dancers are expected to stay in their designated waiting area quietly awaiting their next class. (Any waiting siblings are expected to abide by these rules as well.)
