If you, your student or a family member should contract Covid-19 at our studio, participating in our classes, activities or outreaches, you will be personally responsible for all medical expenses. Covid-19

Joyful Soles will stay up to date on the latest Covid-19 rules and comply as regulations change. It is our hope these requirements will be fewer as we journey forward. To ensure our studio is safe and remains in operation, we ask that our families and dancers abide by the regulations we are required to operate under.

At this time these are the rules we must follow:

***Only Dancers** may enter the studio. Parents and siblings will put us over the legal limit of persons for our square footage.

Exceptions to this rule are; 1) Mustard Seeds 1 & 2 dancers may have a parent stay. 2) NEW dancers trying their first class may have a parent stay and observe.

*Stay home for 2 weeks and take classes via ZOOM if you are not feeling well or if you have been exposed to someone who's tested positive for Covid-19

*If you are exposed to Covid-19 or a variant form, please let me know where and when so I am prepared if the CDC contacts me. **(They do call. I need to have our facts straight)**

*Allow us to take your temperature before you enter the studio.

*Sanitize hands when you enter and exit the studio

*Observe our "social distancing" tape marks for floor work and lining up for movements across the floor.

*Come DRESSED in your dancewear. We are not allowed to offer a changing area at this time.

*The KITCHEN is closed... Please do not bring food that requires heating, refrigeration or utensils.

*BRING YOUR FULL WATER BOTTLE

*Stay in your classroom. Only one Dancer at a time, per class, will be allowed in our restrooms.

According to current Jeffco Covid-19 rules...

Vaccinated dancers and parents do not need to wear a mask.

Here's where things get a little grey... Masks are recommended for all non-vaccinate individuals ages 12yrs and older unless... they are exercising. Dance is certainly a workout.

We WILL NOT be asking if dancers have vaccines.

We are trusting everyone to make the best decision for their personal health and the health of those around them.

This means I am assuming greater risk. If an outbreak occurs at the studio... The State of Colorado can close our studio and sue me for reckless endangerment.

Thank you for helping me keep us safe. 😊

I have read, understand and agree to the Covid-19 requirements for attending classes at Joyful Soles Dance.
