Attendance (Attend-Dance Yes! Please!) Zoom Links

Dance is a “team sport.” Each dancer is important to the overall success of their classes’ advancement and class dance. Consistent weekly attendance is necessary. It’s also the best use of your tuition dollars. Class progress ceases when class time is used to help absent dancers catch up on what they have missed. For this reason, we ask that you make Dance a priority, missing classes only for illness. We do not have a “make-up” class option. A missed class is a lost class. We do offer ZOOM for dancers who for whatever reason cannot join us in person. You will receive individual Zoom links for each class your dancer is enrolled in. Please keep them where you can find them if needed. If you need to join us via Zoom, please TEXT well before your class start time to let us know you will be Zooming. It takes about fifteen minutes to get our equipment turned on and tuned in. If Miss Tami is teaching a class when your message arrives... your entrance into class may be delayed. If your dancer must stay home please send an email to let me know they will be missing and if possible, plan to join us on Zoom. joyfulsolesdance@live.com. In the subject line please include CHILD’S NAME – ABSENT TODAY and in the body of the email describe the reason. Thank you.

Attendance policy for dancers with multiple absences.

Dancers, missing multiple classes for events scheduled after dance registration was completed, are welcome to continue to attend classes but may be asked to sit out of Christmas or Spring presentations. Each situation will be considered on an individual basis.

Waiting between classes

Many dancers have free time between classes. They are welcome to stay at the studio and wait. These are our expectations:

If you bring a snack or meal, please eat in the Kitchen and clean up after yourself. Bring something quite to do... Books, homework, board games etc. The area you will be asked to wait in will depend on classes in session at that time. Dancers are expected to stay in their designated waiting area quietly awaiting their next class.

Drink, Food and Clean Up Policy

WATER ONLY for STUDENTS and SIBLINGS. Water bottles must have an attached, closable top. No exceptions please. Sugary drinks, accidentally dripped, invite ants into our studio and make our Ballet shoes sticky. Yuck! Anything other than water spilled on our carpet becomes a big problem and requires Miss Tami to bring a carpet cleaning machine and spend time correcting the accident. Thank you for understanding. Please put your name on your bottle. Thank you.

FOOD – Snacks & Meals

Snacks - Please only bring non-crumbly snacks. We have resident sugar ants in the alley behind the studio. They delight in the tiniest crumb and appear from seemingly nowhere when food is present. Please consider sending Meat or cheese sticks, protein bars, pre-cut fruit or vegies as snacks for dancers. We have several dancers with peanut and/or tree nut allergies so we ask that you avoid sending these as snacks.

Meals - If your dancer has more than two classes and needs to bring a meal, please remind them to clean up their space in the kitchen and eating area when they are done. There is only ONE microwave available for use, so please keep heated meals to a minimum. Our refrigerator is primarily for staff use but may be used if a dancer’s snack or meal needs refrigeration.

Clean Up – We do not have a “Studio Mommy or Janitor” to clean up after students’ snacks, meals or mishaps. All students are expected to clean up after themselves. Paper towels, spray cleaner and a handheld vacuum are available on the kitchen counters. Please use and return them to where you found them. Thank you.

WiFi

The studio is equipped with WiFi so we can run music and ZOOM in 3 studios at once. We pay for the minimum plan needed to meet our requirements. We’ve been disconnected from Zoom on several occasions this fall. Our Comcast representative came to assess our problem. He said we are paying for a Dirt Road plan, which is sufficient for our studio needs but insufficient for our studio family Superhighway needs. We simply have too many people using our “Road”, so our Zoom connection is weakened and dropping. The next plan costs considerably more and isn’t needed for actual classes. Going forward, if an Adult needs to use WiFi to do work on a device

during classes, we'd like to accommodate you. We can not longer offer Wifi for phone connections or to students for entertainment. There are simply too many devices on The Road we need to run classes. Thank you for understanding.

Communication

Email is our primary source of communication. Using the class email lists created in The Studio Director, we will keep you informed of class specific and studio wide happenings. Email is also our avenue for billing. If you change your email address, please remember to update your portal in The Studio Director. Thank you.

*If you have class or account questions, please email: joyfulsolesdance@live.com

*If your dancer is not able to attend class due to sickness or vacations, please email: joyfulsolesdance@live.com

*If your dancer is unable to attend in person but would like to Zoom, please TEXT 720-318-6220 (well ahead of class time)

*To let us know you are waiting in the parking lot for your dancer (ages K5-12) please TEXT 303-596-6271

*If you are running behind for pick up, please TEXT 303-596-6271

(Please do not "call" this number. No one answers this phone, but teachers/volunteers will see your TEXT)

*If you need studio information right away and are reaching voice mail at 720-318-6220, please visit our website.

You will find this packet of information, our schedule, important dates, dress code, and more. www.joyfulsolesdance.com

Arrival –Quiet Please - Departure

ALL Students please arrive 10-15 minutes before class begins. Please be dressed in code attire, hair secured according to class requirements, and with a water bottle. For your safety, please cover your dancewear with a big T-Shirt, coat etc. We do not know who may be watching in our parking lot. Every dancer needs a dance bag for gear and a full water bottle. PLEASE mark Water Bottles and shoes with your dancer's name. This will allow us to get them back to you if they are left behind. Please place ALL items not taken into the classroom in the Cubbies provided in our dancers' areas. Studio 1 dancers, please place your items around the edges of the room. Our goal is a safe space for dancers entering and exiting.

ALL Students –Please make a stop in the restroom before your class begins so you may enjoy the benefit of learning for your entire class time. Then, wait in your classes' designated waiting area until called by your instructor, unless directed otherwise by your instructor. *(You will find our Dress Code and Bun instructions on page 8)*

Special MUSTARD SEEDS instructions: Parents, please help prepare your dancer for class. Mustard Seeds, please put your TAP shoes on and in your dance bag, have ONLY your Ballet Shoes and Water bottle. Please do not put street clothes, toys, or snacks in your dance bag. Please leave those items in our waiting area cubbies. Thank you.

IF YOU ARRIVE AFTER CLASS HAS STARTED: Please follow the directions above. Then bring your dancer to their classroom door. Say your farewells, open the door and send them in. Please do not enter with them. Other Little dancers quickly lose focus when a "mommy" enters. Those who had difficulty separating may suddenly need their mommy... resulting in lost class time as we get everyone settled again. Thank you for understanding.

MUSTARD Seeds 1 - (3 yrs.) Parents, please stay. We may need your assistance for emergency restroom visits.

MUSTARD Seeds 2 - (4-5 yrs.) Parents are welcome to stay. We may need your assistance for emergency restroom visits.

Mustard Seeds 3 - (K5-6 yrs.) Parents may drop and go, then TEXT 303-596-6271 to let us know you are waiting near the front door. Please allow 5-10 minutes after class ends for us to bring your dancer to the front door. We will be putting street shoes and coats on.

Quiet Please... Teachers and dancers in classes can hear conversations in the waiting areas, hallways and stairs. Our walls are thin or nonexistent. Please enter and exit quietly.

Waiting? The general rule is Drop and Go for ages K5-Teen. We simply don't have enough room for both dancers and families. Having parents wait outside or quietly at the bottom of the stairs gives our students space to enter and exit classes, change shoes, eat a fast snack, and helps classes stay on schedule. *Mustard Seeds* families and siblings... we ask that you stay in designate waiting areas and keep conversations soft. Please help excited Mustard Seeds siblings follow this request by bringing quiet activities for them to enjoy during their sibling's class time. **Siblings are NOT allowed to play in hallways or studio spaces.**

Parents must oversee siblings' activities at all times. **Long distance Exception:** Some of our K5-Teen families drive thirty minutes to an hour to get to classes. If this describes your family, parents may wait inside and to the left at the bottom of the stairs.

Departure Mustard Seeds 1 & 2 Families please meet your dancers in their waiting area. Parents of Students K5-Teen

Please TEXT Your Dancer's Name to 303-596-6271 to let us know you are waiting near the front door outside or quietly at the bottom of the stairs and to the left. Please allow 5-10 minutes after class ends for us to bring your dancer to the front door. We will be putting street shoes and coats on then moving as a class to the bottom of the stairs to check for TEXTS. Thank you. If you are outside, please be sure we can see you from the front door so we can send your dancer safely to you. Teens with their own cell phones may simply tell us they've received a message from you and head out to meet you.

Staying Well

Hand washing is the best way to prevent the spread of germs. Hands arriving from school, shopping, playground etc. bring a bit of the day's activities with them. To keep from spreading any unfriendlies, we ask students and families coming into the studio to take a moment to cleanse hands using the hand sanitizer or baby wipes provided or head straight to the bathroom or kitchen to wash hands. THEN, after sharing equipment and/or holding hands in class... please cleanse hands on the way out of the studio. Thank you. IF your dancer is feeling less than wonderful... but well enough to dance or watch. Please consider joining us via Zoom.

Lost and Found

Everyone, please check to make sure you have all dancewear, water bottles, coats, etc... items before you leave.

Lost items are kept on the "Coffee Bar". At the end of each month, unclaimed items are donated to Goodwill.

Trading Box

We love to help you save \$ so we have a "trading box" available if your shoes have become too small. To take advantage of this option, please send a text to 720-318-6220 stating your dancer's name and shoe need, at least an hour before your class so we are prepared to help you. Please arrive early enough to try several pair on before your class start time. Donating a pair of shoes isn't required but... if your smaller shoes are in good shape, your donation is appreciated.

Always rejoicing before HIM,

Miss Tami Biehl
