Parents, Please drop and go... Then pick up in the ALLY behind our building at our Studio 2 door.

Joyful Soles Dancers,

We are very excited you are auditioning for...

The Lion, The Witch & The Wardrobe Dance Company!

Company is a wonderful way to add more dance to your life and spend time with friends who love dance as much as you do! It's also a privilege.

The fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control... Galatians 5:22-23

Joyful Soles Company Dancers set the tone for excellence at our studio. They lead, by example, by demonstrating a respectful attitude towards Directors, fellow Company members and our studio dancers at all times. Company members are dedicated to pursuing excellence in dance. They work hard and in doing so inspire other dancers to do the same.

*Our Company Dancers are committed to rehearsals on Friday evenings from 7:00 to 8:30 and additional "Company Only" rehearsals during our production week. **Not all** dancers are needed at all times so we will create a rehearsal schedule and post it by the 1st of each month to allow you to make other plans for the Fridays you are not needed.*

ALL DANCERS! Please plan to attend our first rehearsal from 7:00-8:30 on October 27th and our second rehearsal from 7-8:30 on November 3rd

Each Company Dancer commits to attending the rehearsals they are scheduled for, understanding that missing a scheduled rehearsal may result in exclusion from their dance.

***Why would a dancer be excluded?** We create solos, duets, and full Company pieces for our Company Dancers. There is limited time to give instruction for all that needs to be created. Dancers will have one or two rehearsals to learn each piece. Then, we "review" pieces. If dancers miss instruction, they haven't "learned" If they haven't "learned", they can't "review."*

***Additional Production fee?** This additional \$175 Company Production fee pays our Choreographer for the instructional hours needed to create our Company dances. It also helps cover the cost of additional costuming needed for these extra pieces.*

*****On Rehearsal days, please arrive 30 min. before your scheduled time to give yourself time to get organized and stretch. You are responsible for your own "warm-up."***
